Scooby Dooby Who!

**\*\*Hello everyone! It's time I do a Scooby Doo/Doctor Who crossover! Finally I get to do this! I don't own Doctor Who or Scooby Doo! Here is Chapter 1, ENJOY! \*\***

Mystery Inc. are at the Malt Shop, drinking malts, the usual. Shaggy and Scooby were the only ones eating like pigs.

"Man, I can't wait for dinner!" Shaggy said.

"Re ro!" Scooby said.

"Guys, we just had lunch a minute ago!" Fred said.

"Like, we're still hungry" Shaggy said.

"After having two whole hamburgers?" Velma questioned.

"Reah!" Scooby replied.

Then suddenly, a man walked in, who wore a blue pinstripe suit, with a red shirt and red tie and a long brown coat, he saw Scooby and the Gang, and he grinned.

"Oh, brilliant!" The man exclaimed "You must be Mystery Incorporated"

"Like, who are you?" Shaggy asked.

"Well, I'm The Doctor" The man replied.

"Doctor Rho?" Scooby asked.

"Just, The Doctor!" The Doctor answered.

"That's not a name, that's a profession!" Velma said.

"My name is The Doctor, full stop" The Doctor said.

"You don't look like a Doctor" Daphne said.

"And you're a Doctor of what?" Fred asked.

"Practically everything" The Doctor answered.

The bartender walked by, with an angry look on his face.

"Excuse me, sir, can you leave? You're annoying the customers" he asked.

The Doctor looked at the bartender and shrugged his shoulders and walked off, his long coat brushing past Scooby, when The Doctor went out the door, Scooby had a piece of paper tucked inside his collar, but Scooby was too hungry to notice.

"Uhâ€¦ Scooby, what have you got on your collar?" Shaggy asked.

"Rhat?" Scooby replied, his mouth full of food.

Fred grabbed the paper from Scooby's collar and unfolded it; it was probably from the man the gang saw.

Fred read the noteâ€¦

"\_We will meet again! At the Mystery Convention, tomorrow, from The Doctor" \_

"That's some invitation" Velma said.

"Like, why would this "Doctor" want us there?" Shaggy wondered.

"Ro rirea!" Scooby replied.

"That's it! I had enough of this stranger, come on gang, let's head to this Mystery Convention!" Fred said.

So the Gang exited the Malt Shop and entered their van, The Mystery Machine and drove off. Meanwhile, a blue box was behind them, it was starting to dematerialize.

**\*\*And that's the end of the first of this soon-to-be fantastic story! What's the deal with this 'mystery convention'? You'll find out in the next chapter! Anyways I'll be updating Civil War: A Multi-Crossover Event, Scooby Doo and the Blue Jay, The Lion, The Doctor and The Cybermen, The Time Lord of Hogwarts and Regular Adventure! \*\***
